Jane Smith
Hiring Manager
Tech Solutions Inc.

I am writing to express my interest in the Frontend Developer position at Tech Solutions Inc. With over 5 years of experience building responsive and accessible web applications using React and TypeScript, I am confident in my ability to contribute effectively to your team.

In my previous role at Creative Labs, I led the migration of a legacy system to a modern React-based platform, which improved load times by 40% and enhanced user engagement by 25%. I value clean code, usability, and collaboration, and I believe these qualities align well with your company's mission.

I am excited about the opportunity to bring my skills and passion for frontend development to Tech Solutions Inc.

Sincerely,
John Doe
